RENEWED MOTION FOR CLARIFICATION

Plaintiffs hereby move for clarification of this Court's order of March 15, 2011, dkt. no. 43, and its judgment of even date, dkt. no. 44, in which this Court granted certification of finality under Fed. R. Civ. P. 54(b). The reason for this motion is that the United States Court of Appeals for the Tenth Circuit, by order dated April 19 (copy attached as exhibit), tolled briefing on appeal because this Court failed to make the requisite findings by which the appellate court could review the issue of finality within the meaning of 28 U.S.C. § 1291. The Tenth Circuit further required plaintiff-appellants to provide "either a proper Rule 54(b) certification or a final judgment" by May 18, 2011. Plaintiffs therefore respectfully ask that this Court supplement or clarify its opinion in accordance with the Tenth Circuit's supervisory rule regarding Rule 54(b) certifications at its earliest convenience.

DATED this 28th day of April 2011.

Respectfully submitted,

PHILIP E. ABROMATS, P.C.
